

Tavole girevoli cnc con motore coppia CNC Rotary tables with torque motor

Motore coppia
Bloccaggio idraulico

Torque motor
Hydraulic clamping

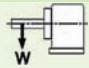

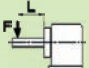

Le tavole serie TDE- T possono essere fornite con:

- Personalizzazione del piano tavola con scanalature a T diverse dallo standard, piattello liscio o fori filettati.
- Verniciatura con RAL specifico

The TDE-T table series can be supplied with:

- Customized table surface with various T-slots, smooth plate, or threaded holes.
- Painted to specific RAL colour
